## MOAA Announces New Travel Services

MOAA has selected International Cruise and Excursions Inc. (ICE) as the new MOAA-endorsed travel provider for its members and chapters. Beginning Oct. 15, ICE will provide products and services through MOAA's new travel Web site, [www.moaa-travel.org](http://www.moaa-travel.org), with best-price guarantees on all cruises, resorts, vacation homes, experiential vacations, and tours. Discounted rates on air travel, hotels, and rental cars also are available. (Until Oct 15 you may see [this MOAA travel site.](#))

Recognizing the importance of travel revenue to MOAA chapters, ICE has agreed to deliver a Chapter Travel Program to include: 1. chapter royalty accumulation at the following rates: \$25 per resort booking and \$50 per cruise, vacation home, experiential, and tours booking;

2. additional revenue share on sales of new products (as they are developed);
3. special group cruise offers and other ICE-sponsored social and community events;
4. ICE representation at chapter meetings, conferences, and events (as requested and available);
5. incentives for chapter events and symposia; and 6. monthly chapter reports and royalty updates.

In addition, ICE has set up a reward program for MOAA members. Under this program, regular MOAA members automatically will receive an initial 2,500 reward points (a savings up to \$150), and MOAA Life Members will receive 5,000 reward points (a savings up to \$300). MOAA members then may redeem these points on qualifying best-price guaranteed travel products. Members also will earn additional reward points on every travel-related ICE product or service they use.

ICE also has developed members-only registry vacation packages — open-itinerary and discounted two-for-one packages that allow MOAA members to change vacation plans without penalty within a 12-month period. Members also may split the two vacations into two separate time frames or give one or both to family and friends.

To accommodate MOAA members' individual information and one-on-one service requirements, members may book online or call an ICE travel vacation consultant toll-free at (866) 724-4462.

### Upcoming Events

# **MINUTES OF THE BOARD OF DIRECTORS SUNCOAST CHAPTER, MOAA September 1, 2009**

Meeting Called to Order by Pres. Don Knutson at 2 p.m. with the following in attendance: Don Knutson, John Alderman, Dottie Cunningham, Bob Frankel, Jerry Miller, Janice Shortt, Jack Stanard, Molly Stanard, Melvin Sweat, Verna Weber and Bob Wiggins.

Don Knutson: Our Chapter is having difficulty renewing our organization's Tax Exempt Status – our current Certificate of Exemption expired 29 July 2009. The IRS now requires the original letter from them affirming our organization's exempt status. Jerry and Verna will both check their records for this letter. Don has drawn up a flyer for our upcoming Sunday, Jan. 24 River Boat Cruise out of Clearwater. (Discussion relating to the date difference between the Secretary's Minutes and the Advisor announcement – Bob Frankel clarified this – dates changed after our Board Meeting due to a change of vessel (would not be Paddle Wheeler as originally thought). Don brought us up to date about the 10 night November 20<sup>th</sup> Thanksgiving Cruise – prices are a definite bargain and cabin bookings are going fast – anyone interested in taking this cruise needs to book ASAP.

Treasurer's Report- Jerry Miller: E-mailed report to Board Members discussed and approved. An amount had been budgeted for expenses incurred by Delegates attended the recent FL Council of Chapters Convention. Reimbursement was refused. Jerry also notified us that he would not be attending our October Board Meeting, but would be back in time for our next General Meeting. At this time Jerry also noted that his program on flags in November would exceed the usual 20-30 minute time frame – will most likely run for 45 minutes – would this present a problem – since the Election of Officers and Board Members also takes place at our November meeting. Told this would be O.K.

#### Member reports:

Dottie Cunningham: Nothing to report, as this is her first Board Meeting attendance since she was elected – illness intervened. Questioned as to whether the November meeting date be changed due to some members going on the Cruise. Board decision that nothing be changed.

Secretary – Verna Weber: Presented Bob Frankel with a "joke-type" "Daffy Duck" Award Certificate for his efforts in obtaining our Library meeting place under difficult circumstances. Various pieces of Correspondence received which is no longer applicable – letter from Cong. Gus Bilirakis; letter of notification from Tampa Chapter regarding their monthly newsletter "The Retrospect" -- in order to save unnecessary expenses they will no longer be mailing their newsletter to our Chapter. We may request the issues be sent as an E-mail attachment by sending our name and E-mail address to [moaatampachapter@tampabay.fl.gov](mailto:moaatampachapter@tampabay.fl.gov). Decided that this address be printed in the Advisor for any of our members interested. Alternatively, we may also go to their web site at <http://www.moaatampa.com> along with a hyperlink (MOAA SEPTEMBER NEWSLETTER). Our President, Don, or Secretary will download and bring any pertinent information to Board Meetings.

Tampa Chapter also published the latest complete information on Military ID card renewal – this is a more complete notification than that was printed in our April issue of our Advisor.

Information concerning the Armed Forces Museum in Largo as activity for our Chapter – interesting newspaper write-up about the Museum – Bob Frankel will check concerning cost, dates, etc.

Letter received from Brian Corley, Supervisor of Elections concerning that office presenting programs.

Membership application received from Chaplain Morson Livingston – Secretary sent letter welcoming him into our Chapter.

Bob Frankel: Reported that he has reserved our meeting room here at the Library for Tues., Oct 6; however, the November Board meeting will need to be changed to Tues., Nov. 17, due to the Library having a book sale and the room will be unavailable on our usual date.

#### Future activities:

Friday, Nov. 6, 2009 – Show Palace – "Fiddler on the Roof" – Reservations for 40 persons. Sign-up sheet in Advisor

January 24 – Reservation for 30 people for the Starlight Luncheon Cruise out of Clearwater Beach. There will be a sign-up sheet for this event in the October issue of the Advisor. (Bob noted that he is still in need of our Tax Exemption Certificate that we are waiting on).

Military Museum – possibility for a Saturday in February.

Tampa Bay Downs – Day at the Races – arrangements to be made.

Possibility of Richey Suncoast Theater productions – It was felt the drawbacks to this venue were lack of convenient place for a group of our size for meal together, plus parking can be a problem. This will again be brought up to our members.

Bob Wiggins: Presentation of ROTC Medals, Certificates, and checks to our 7 JROTC High School Military Units was completed satisfactorily in May. This is our Chapter's ongoing project, and Bob will again head it in 2010.

Programs: Sept. -- PHCC Scholarship Program – Crystal Hice

October – Tom Castriota. We will also have Nominations at this meeting.

November – Jerry Miller – Flag presentation. Election of Officers

December 15 (note date) – Installation of Officers and Board Members by West Central Area Vice President LtCol Larry Fernald, USAF (RET). This is our Holiday Program, with Music by Lucy. (This date change has been confirmed with Spartan Manor).

For Publicity, Bob has been in contact with St. Petersburg Times, Suncoast News and local Villager concerning our Chapter's meeting dates, programs, etc. Also noted that he has miscellaneous Chapter items stored in his home – Original photo albums, assorted photos, Banners, original membership cards, original Charter from MOAA, records concerning our Scholarship Fund, 25<sup>th</sup> Anniversary awards, Corporate Seal, some ROTC records. Would appreciate suggestions concerning programs.

Mel Sweat – Ray Collard, recently hospitalized, will be undergoing Cancer treatment. He continues to be "up-beat", with a good attitude.

John Alderman – He is still contacting those who have shown an interest in our Chapter.

Don Knutson – Will enter our Chapter for the Outstanding Chapter Award. Also has new Policy and Procedure Manual (3). Will order more copies. One copy was given to Bob Wiggins and one to Verna.

There being no further business, motion to adjourn by Bob Frankel, 2<sup>nd</sup> by Janice Shortt. Meeting adjourned at 3:20 p.m.

Respectfully submitted,  
Verna Weber, Sec'y

**The Board of Directors meets 2 pm the 1st Tuesday of each month at the Pasco County Library, Regency Park Branch, 9701 Little Road. All members are welcome to attend and make any presentation. The General Meeting is held the 4th Tuesday of each month, except May through August & Dec. All members should attend. A social hour is held and dinner is served at the Spartan Manor Restaurant.**

## Guarding the Tomb of the Unknown Soldier

The information below is quoted from the website of the Society of the Honor Guard, Tomb of the Unknown Soldier, [www.tombguard.org](http://www.tombguard.org). It is presented here because there have been several emails circulated about the Honor Guard which contain some erroneous information. That wrong information is corrected below.

### 1. How does the Guard rotation work? Is it an 8 hour shift?

Currently, the Tomb Guards work on a three Relief (team) rotation - 24 hours on, 24 hours off, 24 hours on, 24 hours off, 24 hours on, 96 hours off. However, over the years it has been different. The time off isn't exactly free time. It takes the average Sentinel 8 hours to prep his/her uniform for the next work day. Additionally, they have Physical Training, Tomb Guard training, and haircuts to complete before the next work day.

### 2. How many steps does the Guard take during his walk across the Tomb of the Unknowns and why?

21 steps. It alludes to the twenty-one gun salute, which is the highest honor given any military or foreign dignitary.

### 3. How long does the Sentinel hesitate after his about face to begin his return walk and does he carry his rifle on the same shoulder all the time, and if not, why not?

He does not execute an about face. He stops on the 21st step, then turns and faces the Tomb for 21 seconds. Then he turns to face back down the mat, changes his weapon to the outside shoulder, counts 21 seconds, then steps off for another 21 step walk down the mat. He faces the Tomb at each end of the 21 step walk for 21 seconds. The Sentinel then repeats this over and over until he is relieved at the Guard Change.

### 4. Why are his gloves wet?

His gloves are moistened to improve his grip on the rifle.

### 5. How often are the Guards changed?

The Guard is changed every thirty minutes during the summer (April 1 to Sep 30) and every hour during the winter (Oct 1 to Mar 31). During the hours the cemetery is closed, the guard is changed every 2 hours. The Tomb is guarded, and has been guarded, every minute of every day since 1937.

### 6. Is it true they must commit 2 years of life to guard the Tomb, live in a barracks under the tomb, and cannot drink any alcohol on or off duty for the rest of their lives?

No, this is a false rumor. The average tour at the Tomb is about a year. There is NO set time for service there. The Sentinels live either in a barracks on Ft. Myer (the Army post located adjacent to the cemetery) or off base if they like. They do have living quarters under the steps of the amphitheater where they stay during their 24 hour shifts, but when they are off, they are off. And if they are of legal age, they may drink anything they like, except while on duty.

### 7. Is it true they cannot swear in public for the rest of their lives?

Again, another false rumor.

### 8. Is it true after two years, the guard is given a wreath pin that is worn on their lapel signifying they served as Guard of the Tomb, that there are only 400 presently worn, and that the Guard must obey these rules for the rest of their lives or give up the wreath pin?

The Tomb Guard Identification Badge is awarded after the Sentinel passes a series of tests. The Badge is permanently awarded after a Sentinel has served 9 months as a Sentinel at the Tomb. Over 500 have been awarded since its creation in the late 1950's. And while the Badge can be revoked, the offense must be such that it discredits the Tomb. Revocation is at the Regimental Commander's discretion. But you can drink a beer and even swear and still keep the Badge. The Badge is a full size award, worn on the right pocket of the uniform jacket, not a lapel pin.

### 9. Are the shoes specially made with very thick soles to keep the heat and cold from their feet?

The shoes are standard issue military dress shoes. They are built up so the sole and heel are equal in height. This allows the Sentinel to stand so that his back is straight and perpendicular to the ground. A side effect of this is that the Sentinel can "roll" on the outside of the build up as he walks down the mat. This allows him to move in a fluid fashion. If he does this correctly, his hat and bayonet will appear to not "bob" up and down with each step. It gives him a more formal and smooth look to his walk, rather than a "marching" appearance. The soles have a steel tip on the toe and a "horseshoe" steel plate on the heel. This prevents wear on the sole and allows the Sentinel to move smoothly during his movements when he turns to face the Tomb and then back down the mat.

Then there is the "clicker". It is a shank of steel attached to the inside of the face of the heel build-up on each shoe. It allows the Sentinel to click his heels during certain movements. If a guard change is really hot, it is called a "smoker" because all the heel clicks fall together and sound like one click. In fact, the guard change is occasionally done in the "silent" mode (as a sign of devotion to the Unknowns). No voice commands - every thing is done in relation to the heel clicks and on specific counts.

### 10. How many times will a Soldier be on duty during the shift?

Each Relief (team) has a rotation during the 24 hour work day. This rotation is dependent on the number of Soldier-Sentinels who are proficient enough to guard the Tomb. The standard is 3-4 qualified Sentinels, 1-2 Relief Commander/Assistant Relief Commander, and 1-2 Sentinels in training. Generally, the Sentinel will be on guard duty for a tour and have two tours off in between - then go out for another tour. However, in extreme cases, Sentinels have been known to go back-to-back for the entire 24 hour shift.

### 11. Has anyone ever tried to get past the Tomb guards, or attempted to deface the Tomb?

Yes, that is the reason why we now guard the Tomb. Back in the early 1920's, we didn't have guards and the Tomb looked much different. People often came to the cemetery in those days for picnics during which time some would actually use the Tomb as a picnic area (probably because of the view). Soon after, 1925, they posted a civilian guard; in 1926, a military guard was posted during cemetery hours; and on July 1, 1937, this was expanded to the 24-hour watch. Since then, the ceremony has developed throughout the years to what we have today. Today, most of the challenges faced by the Sentinels are tourists who want to get a better picture or uncontrolled children (which generally is very frightening for the parent when the Soldier challenges the child).

### 12. What happened to the soldier that was in the Tomb from the Vietnam War?

The remains of the Vietnam Unknown Soldier were exhumed May 14, 1998. Based on mitochondrial DNA testing, identified the remains as those of Air Force 1st Lt. Michael Joseph Blassie, who was shot down near An Loc, Vietnam, in 1972. It has been decided that the crypt that contained the remains of the Vietnam Unknown will remain vacant.

### 13. What is it like to guard in bad weather?

The guards at the Tomb of the Unknown Soldier (we call ourselves "Sentinels") are completely dedicated to their duty of guarding the Tomb. Because of that dedication, the weather does not bother them. In fact, they consider it an honor to stand their watch (we call it "walking the mat"), regardless of the weather. It gets cold, it gets hot - but the Sentinels never budge. And they never allow any feeling of cold or heat to be seen by anyone.

### 14. Do you guard in a blizzard or a bad thunderstorm?

YES, BUT the accomplishment of the mission and welfare of the Soldier is never put at risk. The Tomb Guards have contingencies that are ready to be executed IF the weather conditions EVER place the Soldiers at risk of injury or death - such as lightning, high winds, etc. This ensures that Sentinels can maintain the Tomb Guard responsibilities while ensuring soldier safety. It is the responsibility of the Chain of Command from the Sergeant of the Guard to the Regimental Commander to ensure mission accomplishment and soldier welfare at all times.

It was erroneously reported that during Hurricane Isabel, the Sentinels were ordered to abandon their posts for shelter and that they refused. No such order was ever given. All proper precautions were taken to ensure the safety of the Sentinels while accomplishing their mission. Risk assessments are constantly conducted by the Chain of Command during changing conditions to ensure that soldier welfare is maintained during mission accomplishment.

### 15. Do you guard all night long, even when the cemetery is closed?

The Tomb is guarded 24 hours a day, 7 days a week. In fact, there has been a Sentinel on duty in front of the Tomb every minute of every day since 1937. And the Sentinel does not change the way he guards the Tomb, even at night when there is no one around. The Sentinels do this because they feel that the Unknown Soldiers who are buried in the Tomb deserve the very best they have to give.

### 16. How many Sentinels have been female?

There have been 3 female Sentinels.

## SHOW PALACE DINNER THEATRE CHAPTER AFFAIR

To start off the fall season, we have arranged for our chapter members and guests to attend "Fiddler on the Roof" on Friday evening, November 6, 2009 at the Show Palace Dinner Theatre, 16128 US Highway 19, Hudson, FL 34667. The doors will open at 6 PM, Dinner Buffet at 6:30 PM and the performance will begin at 8 PM.

We have reserved 40 seats at the same great tables we had at the last performance. We also have a very good flat rate price of \$40.00/person plus a nominal gratuity. Please make your reservation early by completing the form below and sending it along with your check made out to Suncoast Chapter, MOAA to; Suncoast Chapter, MOAA, P.O. Box 854, Port Richey, FL 34673-0854.

All reservations should be received prior to October 19, 2009. Tickets will be distributed at the October 27 dinner-meeting.

"In Anetevka, lives can be as shaky as a fiddler on the roof. And how do we keep our balance? That I can tell you in one word...TRADITION". So begins the universally beloved story of Tevye, the milkman. His world is turned upside down as his young daughters start romances with all the wrong people, authorities drive the Jews from their homes throughout Russia, and now he has to pull his own cart because his horse lost his shoe... would it have been so terrible if he had just a small fortune? Love, family and good humor conquer all in "FIDDLER ON THE ROOF". Keep the family tradition alive with one of the American theatre's most honored musicals, filled with such all-time classic songs as "Tradition", "Matchmaker", "If I Were a Rich Man" and "Sunrise, Sunset".

### Camp Darby Welcomes Retirees

If you're able to include a European trip in your plans, Camp Darby, Italy, wants you. Facilities are open to all military retirees. Camp Darby is home to the only American Beach in Europe. Though a small military community of 1,800 people, it has more than 38,000 visitors annually. Located in the heart of Tuscany, it's a springboard to discovering Italy. Pisa, the Leaning Tower and the Pisa Airport are minutes away. The city of Florence and its airport are an hour away. Camp Darby's Information, Tours & Recreation (ITR) offers daily trips for purchase, information on highlights and other services such as hotel bookings and discount ticket sales. Since Camp Darby is not an Armed Forces Recreation Center, reservations are on a first come, first served basis. Accommodations include two lodges, log cabins and campgrounds on the installation with handicapped-accessible rooms at the lodge and log cabins. For more information, go to <http://www.usag.livorno.army.mil> or call 39- then 050-54-7225 or 050-54-7580 for Sea Pines Lodge (but they are only open Central European time from 8 a.m. to 5 p.m.). ### VA Warns of Scam

The Department of Veterans Affairs (VA) warns veterans not to give credit card numbers over the phone to callers claiming to update VA prescription information. Veteran Service Organizations brought the scam to VA's attention. Callers will pretend to be VA representatives and will say that the VA recently changed procedures for dispensing prescriptions and will ask for the veteran's credit card number.
