Dear Mr. Schenk:

It is my pleasure to inform you about the recipients of your scholarship awards for the fall term of 2006.

The PHCC Scholarship Committee carefully matched applications with the wishes of the scholarship donors. On this basis, the Committee awarded a total of \$400.00 from the Florida Suncoast Chapter of the Military Officers' Association of America Scholarship to:

Elizabeth Luna of 8221 Penwood Dr, Port Richey, FL 34668, who is enrolled in the paralegal program at PHCC. Elizabeth is a 2001 recipient of a General Equivalency Diploma and received \$400.00.

After this award, the fund balance in the Florida Suncoast Chapter of the Military Officers' Association of America Scholarship is \$17,726.16.

Scholarships are a critical component in achieving the mission of Florida's Community College system, allowing local students to pursue their dreams of higher education through affordable, locally accessible venues. Endowed scholarships are particularly important since they are eligible for state match and are guaranteed to exist in perpetuity. Without the generous support of local donors like you, this dream would be denied to many deserving students in Pasco and Hernando Counties.

Again, thank you for your commitment to PHCC. You can be very proud of the part you are playing in your community. Because you care, dreams are coming true, one student at a time.

Sincerely,

Aria Altman Executive
Director
